

KALPAK AUTO PVT. LTD.

AUTOMOTIVE PARTS AND **ENGINE WATER PUMPS**

PRECISION | PERFORMANCE | POWER

About

KALPAK AUTO PVT. LTD.

We are leading manufacturer of high-quality Automotive parts and Engine water pumps. With decades of experience and a relentless commitment to innovation and excellence, we are dedicated to providing our customers with the most reliable and efficient engine pumps in the industry.

Our Mission

Our mission is to deliver superior Automotive parts and engine water pump solutions that enhance the performance, reliability and longevity of automotive engines. We strive to achieve this through continuous innovation, rigorous quality control and exceptional customer service.

Our Vision

We envision a future where our cutting-edge Automotive parts and engine water pump technologies contribute to the advancement of automotive performance and sustainability. We aim to be recognized as the industry leader, setting the standard for quality and innovation in engine pump manufacturing.

Quality: We are committed to manufacturing products that meet the highest standards of quality and performance.

Innovation: We continuously invest in research and development to stay ahead of industry trends and technological advancements.

Customer Focus: Our customers are at the heart of everything we do. We work closely with them to understand their needs and provide tailored solutions.

Integrity: We conduct our business with the utmost integrity, ensuring transparency and fairness in all our dealings.

Sustainability: We are dedicated to implementing sustainable practices in our manufacturing processes to reduce our environmental impact.

Group Concern:

KRANTI FORGING has been a manufacturer with over 25 years of experience. Our unique product mix includes Forge Bearing Ring, Bush, Washer, Transmission Components, Custom Forging & Machining. All products can be produced to standard specifications as well as per custom requirements.

KRANTI FORGING maintains the quality assurance & management system control with certification of ISO 9001:2016 issued by TUV Sddeutschland, Germany.

- Excellent Product Quality
- On Time Delivery
- Competitive Pricing
- Prompt Response
- Strong Engineering Capabilities
- Customer Satisfaction
